SIATA 132

Reference	Code	Description	€
Siata 132 - Body - Versie Blacke			
0302130002	132A-MIX	V132 BLACK	Body 132 Black with mixing
0302130002	132A-BW-RE	V132 BLACK	Body 132 Black With flow controller and driver replica
0302130002	132T-MIX	V132 BLACK	Body 132 Black with turbine and mixing
0302130002	132E-BW-RE	V132 BLACK	Body 132 Black, external control, With flow controller and driver replica

The connections for Siata 132 valves need to be ordered separately

Reference	Code	Description	€
Connections Siata 132 valve			
0303294539	2265-B/05	Connections 1" Female - threaded connection	
0303294540	2265-C/05	Connections 1 1/4" Female - threaded connection	
0303294545	2265-K/05	Connections 1 1/2" Female - threaded connection	
0303294543	2265-H/05	Connections 1 1/2" male - threaded connection	
0303294544	2265-I/05	Connections 2" male - threaded connection	
Accessories for Siata 132 valve			
0402012685	SI/2201	Top distributor 132	
0402012686	SI/2202	Bottom distributor without riser tube 132	

The Siata 132 valve is delivered with top and bottom distributor but without riser tube

4. SIATA

SIATA 230

Code	Code	Description	€
Siata 230 - Body			
0302234180	V230A/05	Body 230	
0302234185	V230F/05	Body 230 Filter	
0302234186	V230T/05	Body 230 with turbine	
0302234183	V230E/05	Body 230, external control	

The connections for Siata 230 valves need to be ordered separately

Code	Code	Description	€
Connections Siata 230 valve			
0303294546	494-B/05	PVC connection kit 2" Valve - 1 1/4" pipe side	
0303294547	494-C/05	PVC connection kit 2" Valve - Dia 40 (glue)	
Accessories Valve Siata 230			
0402012853	SI/5200	Top distributor 230/250	
0402012856	SI/5201	Bottom distributor without riser tube 230/250	

The Siata 230 valve is delivered with top and bottom distributor but without riser tube

SIATA 240

Code	Code	Description	€
Siata 240 - Body			
0302244187	V240A-05/05	Body 240	
0302244193	V240F-05/05	Body 240 Filter	
0302244198	V240T-05/05	Body 240 With turbine	

The connections for Siata 240 valves need to be ordered separately

Code	Code	Description	€
Connections Siata 240 valve			
0303294539	2265-B/05	Connections 1" Female - threaded connection	
0303294540	2265-C/05	Connections 1 1/4" Female - threaded connection	
0303294545	2265-K/05	Connections 1 1/2" Female - threaded connection	
0303294543	2265-H/05	Connections 1 1/2" male - threaded connection	
0303294544	2265-I/05	Connections 2" male - threaded connection	

The Siata 240 valve is delivered with top and bottom distributor but without riser tube

4. SIATA

SIATA 250

Reference	Code	Description	€
-----------	------	-------------	---

Siata 250 - Body

0302254200	V250A/06	Body 250	
------------	----------	----------	--

The connections for Siata 250 valves need to be ordered separately
